Health Insurance

Health insurance in Abu Dhabi is mandated and controlled by Law No. (23) of 2005 and the Executive Regulations Regarding the Health Insurance Scheme for the Emirate of Abu Dhabi. This Law states that every employer shall provide health insurance coverage for all his employees/workers and their family members covering the employee's/worker's wife and three children under 18 years of age. Every sponsor shall subscribe to the scheme for any person under his sponsorship from the date of his arrival to the State unless such person is entitled for health insurance coverage by an employer.
